12370 SW Main Street - Tigard, Oregon 97223 - (503) 639-8375

Tigardville Station Phase 1 Reopening Guidelines.

We need to cover a few things with you, because there are new rules we all need to follow to make it through all of the phases of reopening as quickly as reasonably possible. Most importantly, we need your help to make it happen!

- We have new temporary hours. 11:00am to 10:00pm 7 Days a week.
- Parking remains in the back, but entry into the building will be through the front / Main Street door ONLY. Exit through the rear / Parking Lot door.
- We have taken all of the necessary precautions for proper distancing. This place has been scrubbed from Stem to Stern, Port to Starboard, up one side and down the other. Staff will be wearing masks and gloves when appropriate.
- There are areas both inside and out that have been taped off. Please pay attention to them as they are there for your protection.
- Our maximum capacity will be 60 people. Seating will be limited.
- Groups can sit max 10 together but everyone will have to be present. In other words, if someone in your group shows up late and we're at capacity, well, you get it.
- Sadly, there will be no bands until we get through the prescribed opening phases. Perhaps not all phases, but at least for now.

We want to make sure you stay safe, we stay open and can progress as rapidly as possible through the coming phases of reopening. These rules are serious and enforced. The better we follow them, the faster we and the rest of the county will get through these reopening phases.

As always, we appreciate your cooperation, patience and patronage.

Thank You!
